Don't envy you folks right now...my wife told me there was another big main pop somewhere in Pilsen yesterday?

Well deserved, you folks have gone above and beyond and we really appreciate all you've done. We are hoping to get the web package completed ahead of submitting the revised manuscript next Wednesday, so we will get that to you folks as soon as we can.

Miguel,
Thanks again for all the kind words today. When you get a chance to send us some EPA language on flushing, that would be great so we can look at incorporating it.
Thanks,
Andrea
